## GAJDA FASHION GROUP

GAJDA FASHION GROUP is the first and also the only such company in the Polish market, which combines the aesthetics of the design project with fashion. This allows you to create original designs, characterized by both precision and uniqueness of enforcement. Close cooperation between all the GAJDA FASHION GROUP branches gives a fully professional performance and complexity. Extensive company structure ensures comprehensive customer service and is able to meet ever-changing preferences for demanding customers. GAJDA FASHION GROUP Sp. z.o.o. is a company that was founded with the passion of the designer, its founder - Peter Gajda. It is created by a young and energetic team, whose mission was to design, manufacture and sales of luxury products related to fashion and design industry. It is composed of three marks (branches): GAJDA FASHION, GAJDA DESIGN and GAJDA STUDIO.
